Gaylor Statement Monday to Decide Definite Status of Election Contest.

William W. Dodge is mayor-elect of Mishawaka. The democratic candidate, elected on the face of official returns on Nov. 8 by 11 votes, Increased this majority to 20 votes in the recount asked for by the defeated candidate, Mayor Ralph W. Gaylor. The recount was finished Saturday night about 9:30 o'clock after the commission appointed by the circuit court to canvass the vote had been in continuous session for 36 hours.

The recount showed that Dodge received 2.978 votes and his opponent 2,958. The count of the Mishawaka election board showed that Mayor-elect Dodge's total vote was 3,022 and Mayor Gaylor's vote was 3,011. Far-East Conferences to Be Left in the Background Early Next Week.

BULLETIN. By Associated Press.

WASHINGTON, Nov. 26. -Members of several delegations to the Washington conference informally suggested tonight that any thought of adjourning the sessions of the Christmas holidays be abandoned in the expectation that by adopting such a course the deliberations could be definitely concluded by the end of December. The negottations were proceeding so smoothly, they pointed out, that the conference could be expected to complete its work in a much shorter time than it was at first deemed possible. For this reason it was suggested that delegates who had planned to go home for Christmas might well be urged to abandon this intention so that the sessions could be continued without interruption.
